## November 2011

**N**ovember, how is it already November? We have had a busy fall and there is much more to come. This fall we have started the youth music ensemble (hopefully the youth can come up with a snazzy name for this). I am so thankful for Eliza, Roger, Sam, Luke, Todd, Julia Katherine, and Madeline and their participation and leadership. A few others were at some early rehearsals and we hope to see them back for rehearsals leading up to the group leading in worship on December

18<sup>th</sup>. I would like to make this newsletter a monthly item. I have wanted to do this for a while. Let me know if there are things that you would like to see and youth, if you have writing pieces you would like to submit or activities that are coming up, I would be happy to have them. As we begin November, may we all be thankful for the many blessings we have, particularly the blessing we have of our church family!

Blessings and Peace  
Karen

Prayers for our college friends  
Prayers for safe travel at Thanksgiving

## Other News and Happenings

Ding Dong Hockey is coming this Sunday!!!!!! Once again WUFPC (Westminster, University and First Presbyterian Church) will meet again for this crazy game. We are responsible for side dishes for dinner and thanks to those who signed up!!! Bring a broom and let's go have some fun!!

.....

**College Care Boxes** are on the horizon. Susan Cockburn has been contacted people to make sure we have addresses for all our college kids. I did get one request from Sadie Pass for green Jolly Ranchers. I also remember that Sadie and Abby were particularly ready to get a box full of goodies from the youth group. Last year the boxes were super full! Let's do that again!

.....

**Minter Market** will take place during Sunday school and after worship on November 20<sup>th</sup> in Fellowship Hall. The youth have been asked to staff the Presbyterian Disaster Assistance Booth (from our Galveston Trip a couple years ago with the high school group) and the Heifer Ranch booth with our middle school group. We will need youth who can help staff the booths, particularly during Sunday school and for about 30 minutes after church.

.....

Do you have a Facebook Page??? There is a [Westminster Facebook page](#). It is a closed group so you will have to ask to join. It is a place to keep up with what is going on with the WPC youth!
